Royal Plantation

Jamaica's picturesque North coast is home to *Royal Plantation Spa & Golf Resort*, a sumptuous sanctuary for the most discriminating traveler and the premier destination for groups. This intimate, 5 Star Diamond award-winning enclave offers 77 luxuriously appointed colonial-inspired suites, each featuring awe-inspiring views of the ocean beyond.

Polished marble, tropical hardwoods and sumptuous fabrics combine to create a refined, sophisticated yet relaxed retreat that delivers the ultimate in comfort and unmatched standards of service —a fitting reward for exceptional members of your team.

Staff appear serendipitously, anticipating your every need. Twin beaches beckon, their waves washing to shore and transporting your cares as they retreat. Nurturing treatments in the European spa restore the delicate equilibrium of mind, body and soul. Elegant restaurants, including Le Papillon, winner of a coveted 5 Star Diamond award, offer delicious temptation: world-class cuisine, prepared by European trained chefs and graciously served a la carte. All this and more for one all-inclusive, budget-friendly price that brings you the luxury of the Caribbean at unbeatable value.

Meetings are called to order in the comfort of a private conference room fully equipped with audio-visual facilities and seating for as many as 212. Groups may also enjoy the use of Villa Plantana and Villa Rio Chico, 2 elegantly opulent properties, for private functions, top-level executive stays or to reward top producers. Who knew getting down to business could be such a pleasure?

So plan your group meeting or incentive trip to Royal Plantation Golf Resort & Spa —a tropical hideaway in one of the most enchanting places on earth.
