12 Miles of Pristine White-Sand Beach

Schooners Restaurant

Luxury Suite

French Village Pool

Your group will enjoy the ultimate getaway at Beaches Turks & Caicos Resort & Spa, where pastel bungalows sit amidst manicured gardens, surrounded by 12 miles of pristine white-sand beaches swept by balmy island breezes.

The palm-lined drive leads the way to a casually elegant island paradise a world apart from the ordinary, its 453 luxuriously appointed rooms, suites and villas provide a restful retreat at the end of each fun-filled day.

Divers and snorkelers will be enchanted by the underwater paradise of coral reefs and crystal-clear waters that have put the Turks & Caicos Islands among the top five diving destinations in the world, while six pools, four with swim-up bars and cascading waterfalls welcome those who stray from the sand.

Work on your inner and outer selves at the Red Lane® Spa. Choosing from an extensive menu of restorative treatments designed to bring body, mind and spirit back into perfect balance presents a delicious dilemma.

Or work more conventionally in the comfort of the Caicos Conference Center, which accommodates groups as large as 350 and is outfitted with basic audio-visual equipment.

An unprecedented array of eleven gourmet restaurants, including a Parisian café and 50s inspired diner, means groups can dine any way and almost at any time they choose — casually or formally, in air-conditioned comfort or under the stars, with or without the kids.

Speaking of kids, when they're not in the care of our Certified Nannies or frolicking in our Kids Camp, the younger set gravitates to Pirates Island, the ultimate kids playground — either way, they're well taken care of while you take care of business. With its kids-only pool, swim-up soda fountain and winding waterslide, it's the most fun under the Caribbean sun and parents are strictly optional!

A value-priced all-inclusive rate makes budgeting easy. So come one, come all, come celebrate Beaches Turks & Caicos Resort & Spa, the perfect destination for groups.
