

Antigua Is Famous For Having 365 Beaches, Dickenson Bay Is Its Best

Sandals Grande Antigua

RESORT & SPA

The beauty of Antigua's 365 beaches is matched only by the charm and appeal of Sandals Grande Antigua Resort & Spa, an intimate and colorful Caribbean village perched on the powdery sands of the world-famous Dickenson Bay.

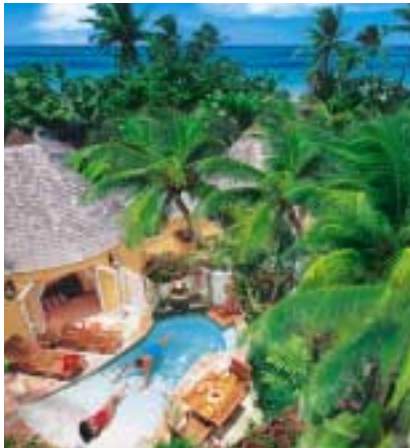

From the moment you witness the sun streaming through the lobby's soaring stained glass ceiling, you'll know you've chosen the perfect place for your conference, retreat or incentive trip.

Venture down winding pathways and discover the 373 luxurious accommodations, which include Rondovals, unique oceanfront circular suites footsteps away from sparkling seas and swaying palms. The expansive beach beckons, so heed its call and enjoy a wealth of watersporting activities like kayaking, windsurfing and world-class scuba diving* — all complete with expert instruction and top-of-the-line equipment.

If work is at the top of the day's agenda, take care of business in our fully-equipped seaside meeting room, with seating for up to 400 persons.

Then, when you've worked up an appetite, take your pick of nine exceptional restaurants — the most of any resort on the island — where the finest International cuisine, from Teppanyaki to Northern Italian to Southwestern grilled specialties, is graciously served. Then restore your mind and body to perfect balance with a pampering treatment in the full-service Red Lane® Spa.

Sandals Grande Antigua offers all this and more at one all-inclusive price that makes budgeting a breeze. For the ultimate Caribbean group getaway, the only choice is Sandals Grande Antigua.
