SANDALS HALCYON BEACH

Of all the Sandals resorts, it has been said that Sandals Halcyon Beach best defines the Caribbean's Caribbean. Set on a palette of lush gardens bordering the tranquil Caribbean Sea, the resort is built naturally into the environment with no building higher than the highest palm tree. Classic Caribbean architecture and quaint, charming gingerbread-style cottages are creatively designed to meld into nature, like orchids in a rainforest. Lazy swims in the secluded lagoon pool, seductive strolls among birds of paradise and magnificent shaded trees, and an unwavering sense of the mantra "No worries, Mon," brings this fantasy island to life. Here you can indulge in the island's most impressive dining experience at Kelly's Dockside—located on a pier that extends 150 feet out over the water. It's just one of six Gourmet Discovery Dining restaurants, plus with our "Play & Dine Around" program, you can select from 21 more outstanding specialty restaurants at the neighboring Sandals Resorts in St. Lucia. With a spellbinding backdrop of verdant mountainsides reminiscent of exotic Fiji, there's plenty of excitement to awaken your senses. Thrilling land and water sports including unlimited scuba diving* and Championship golf at nearby Sandals Regency La Toc, our famous Red Lane® Spa*, state-of-the-art fitness center, stylish beach parties, romantic firepits, and seven bars. This is quintessential Caribbean for two people in love, a true Garden of Eden where you'll discover a charming and intimate sanctuary that is the essence of its name...tranquil, peaceful and calm.
