The Caribbean's #1 All-Inclusive Luxury Resorts

OTHER RESORTS SAY THEY ARE THE SAME AS SANDALS-IS THAT TRUE?

Imitation is the greatest form of flattery. But the truth is no other all-inclusive resorts come close to Sandals Resorts' world-class luxury, quality, choice, and service. Long ago, we broke out of the all-inclusive category to stand alone as the world's only Luxury Included® Vacation and have become the undisputed leader in the travel industry.

AT AN ALL-INCLUSIVE RESORT, WILL YOU BE CHARGED FOR ANYTHING EXTRA?

While other all-inclusives and cruise lines may advertise "everything's included," they often disclaim the hidden costs like tips, government taxes, airport transfers and port charges, specialty dining, upgraded activity charges as well as any type of instruction. At Sandals, the only time the word "extra" is used is in the word EXTRAORDINARY.

HOW CAN SANDALS SAY THEY GIVE MORE QUALITY INCLUSIONS THAN ANY OTHER RESORTS ON THE PLANET?

We say it because it's the truth. No other hospitality group in the history of all-inclusive resorts comes close to offering more in both quantity and quality. We are the brand you can trust to deliver more than you ever expected. Which is why Sandals Resorts are the most awarded all-inclusive resorts. Ever.

The Caribbean's #1 All-Inclusive Luxury Resorts

CAN AN ALL-INCLUSIVE BE LUXURIOUS?

Of course. As "The Vacation Innovators," we have transformed the all-inclusive into a five-star caliber experience equal to none other—from our signature fantasy pools with swim-up bars to our unique and luxurious "Love Nest Suites", complete with personal butlers.

WHY WOULD YOU NEED RESORT CREDITS AT AN ALL-INCLUSIVE RESORT?

You don't. If it is a promotion for something that is not included then it's truly a credit. However, if they are giving you credit for items that should already be included in a true all-inclusive (like tennis, scuba diving, wine, alcoholic beverages, specialty dining, and transfers), it's not a credit – it's deception.

ARE ALL LAND AND WATER SPORTS INCLUDED?

Yes. Sandals Resorts includes the best and most exciting choices on land and sea—all unlimited with the highest level of quality. Most resorts do not include scuba diving, golf or motorized sports like waterskiing, tubing or wakeboarding, but Sandals does and more. So you're free to do what you want, when you want as much as you want. Top-of-the-line equipment is always used and professional instruction is always complimentary. Compared to Sandals, there's no comparison.

WHEN IT COMES TO GOLF AND SCUBA DIVING, WHAT DOES UNLIMITED AND INCLUDED MEAN?

Golf, in Jamaica and Saint Lucia, includes green fees and is unlimited for the entire length of your stay (caddies are mandatory but not included). Two scuba diving excursions per day are also included for certified divers. Others may offer one dive per vacation or a free diving lesson in a pool, but only Sandals offers certified divers unlimited scuba diving including top-of-the-line equipment and instruction.

DO YOU HAVE TO PAY EXTRA TO DINE AT A SPECIALTY RESTAURANT?

Sandals specializes in specialty restaurants and you never have to pay extra to enjoy our world of flavors. Each venue offers a unique ambience and everything you order is always included and unlimited. Even tipping is not allowed. At other resorts the hidden extra charges can really add up. But at Sandals, your wallet gets a vacation too.

DO YOU HAVE TO DINE AT A CERTAIN TIME AND AT A PRE-ARRANGED TABLE?

Never at Sandals. You're on vacation and shouldn't have to adhere to a schedule. Unlike cruise lines, there are no pre-set dining times or tables with strangers that you are forced to sit with every night. At Sandals, you can choose from up to 16 gourmet restaurants per resort and dine at romantic tables just for two. So dine whenever, wherever, and enjoy whatever your palate desires.

DOES IT COST EXTRA FOR PREMIUM SPIRITS?

No. At Sandals Resorts, all drinks are included and unlimited—from premium spirits to top-rated Robert Mondavi Twin Oaks wines. You may pay more for premium brands at other resorts or they may be included only during set times, but not at Sandals. All alcoholic beverages are always on the house and available 24/7. If you're in Club Sandals-level or higher accommodations, we even include fully stocked in-room bars, replenished daily.

THE BEST BEACHES & THE CALMEST WATERS

[Back To Index](#)

UNIQUE FEATURE:

Sandals' founder, Gordon "Butch" Stewart, is from the Caribbean, so he understands what makes a beach and a location a great one. That's why our resorts are always located on the calm side of the island, where offshore reefs protect our beaches and create clear waters—perfect for swimming, boating, playing, or just soaking up the sun beneath a towering palm or a shaded almond tree.

The Sandals Difference:

- Beaches protected by offshore reefs create the calmest waters for leisure swims.
- Whether they're crescent-shaped beaches in a calm cove or endless stretches of pristine white sand, all of Sandals' beaches are picture-perfect, lined by shimmering turquoise waters and emerald-hued landscapes.

EVEN OUR POURING WINE IS ROBERT MONDAVI TWIN OAKS — AND IT'S INCLUDED

Back To Index

UNIQUE FEATURE:

While other resorts include wine, what they're serving is from a box. Sandals Resorts always raises the bar when it comes to the Luxury Included® experience to our guests. Our exclusive partnership with Robert Mondavi Winery raises the standard of the "included" wines poured at our resorts, serving unlimited pours of their Twin Oaks varietals.

Six Varietals to Choose From:

- **Cabernet Sauvignon:** Juicy plum and cedar aromas lead to profound blackberry, cherry, and tobacco flavors. Nicely toasted and caramelized by oak aging.
- **Chardonnay:** Vibrant tropical fruit and apples meld with rich cinnamon, maple, and a hint of sweet vanilla spice. Medium bodied with a toasty finish.
- **Merlot:** Rich cherry and dark chocolate aromas are followed by enticing cocoa and toast flavors. Complex and full-bodied with well-integrated tannins.
- **Pinot Grigio:** Beautifully round yet refreshing nectarine and peach aromas and flavors with a peach-citrus finish. Unoaked to preserve the wines crisp, fresh character.
- **Sauvignon Blanc:** Lively and fruit-forward with grapefruit and passion fruit aromas and flavors. Bright, mouthwatering finish.
- **Shiraz:** Blackberry and rose aromas lead to lively berry, chocolate, and spice flavors and a light black pepper finish. Full tannins are beautifully balanced by bright acidity.

The Robert Mondavi Story:

Established nearly 20 years ago, Robert Mondavi Twin Oaks is a partnership between Woodbridge Winery and its long-time growers in the Lodi, California wine region. Selected for Sandals Resorts to complement our gourmet cuisine—including Cabernet Sauvignon, Chardonnay, Merlot, Pinot Grigio, Sauvignon Blanc, and Shiraz—these wines are named in honor of the Twin Oaks vineyards which use sustainable agriculture practices supported and promoted by Robert Mondavi. In addition to Woodbridge by Robert Mondavi wines, Todd Ziemann also crafts Robert Mondavi Twin Oaks. According to Robert Mondavi's vision, Todd's goal is to create wines that are "clean and easy to drink, bringing the joy of wine to everyday life."
