Two-Story Villa Suite on Sunset Ocean Bluff

Golf Course

Acclaimed "The Caribbean's Most Glamorous Resort", Sandals Regency La Toc Golf Resort & Spa offers groups a magnificent getaway of spectacular oceanfront vistas, luxurious amenities and unparalleled natural beauty on one of the Caribbean's most enchanting islands. With so many activities on land and sparkling sea, groups and incentive earners will be spoilt for choice: whether to do it all or nothing at all.

For recreation, Sandals Regency La Toc's sweeping acreage presents a wealth of exciting options like a challenging on-property golf course, three freshwater pools, 5 tennis courts and 2 fully-equipped Red Lane® fitness centers. And a perfect crescent of white-sand beach on which to rediscover the person you used to be.

If business tops the day's agenda, meet in our spacious conference room which comfortably accommodates up to 150 people and comes complete with basic audio-visual equipment at no extra charge.

Custom-made mahogany furnishings and vibrant tropical hues are featured in each of the 16 room categories, some of which boast private plunge pools, split-level living rooms and are lavished with the personalized attention delivered by our exclusive Suite Concierges. If you can bear to leave the comfort of your intimate retreat, repair to the sanctuary of the full-service Red Lane® Spa, where the deepest levels of relaxation are within your reach.

Seven specialty restaurants bring the flavors of the world to your table, served attentively, graciously and with genuine Caribbean charm amidst interiors inspired by the natural beauty of the islands. And with Sandals' "Stay at One, Play at Three" exchange program between Sandals Grande St. Lucian Spa & Beach Resort and Sandals Halcyon Beach St. Lucia, groups can enjoy full use of the facilities of all three resorts at no extra charge, including a total of 17 delicious gourmet restaurants!

Only Sandals Regency La Toc Golf Resort & Spa can offer such exceptional value, at an all-inclusive price that makes budgeting a "done deal."
