Beaches Is Home to the Caribbean's First Autism-Friendly Kids Camps

Beaches has partnered with The International Board of Credentialing and Continuing Education Standards (IBCCES), a global leader in online training and certification programs.

When We Say We Are “The Resorts for Everyone” We Mean It!

Beaches is the first resort company in the world to complete the rigorous IBCCES training and Autism Certification! We are proud to offer families with children with autism and other special needs specialized service, engaging activities and custom dining options so that all families may enjoy a memorable, award-winning Beaches Luxury Included® experience.

Certified Staff All the Time

Enjoy an amazing Luxury Included® family vacation knowing that your child is always in good hands.

Our child care staff continuously receives competency training in the following areas:

- Sensory Awareness
- Motor Skills
- Autism Overview
- Program Development
- Social Skills
- Communications
- Environment
- Emotional Awareness & Bullying

Certified Kids Camps

Our Kids Camps are Advanced Certified Autism Centers that ensure team members have the required knowledge, skills, temperament, and expertise to cater to all children and offer age-specific programs for infants, toddlers, pre-teens and teens*.

**Pre-teens and teens enjoy access to exclusive teen-only hangouts; however, some activities are not supervised.*

The Caribbean Adventure With Sesame Street®

Beaches is proud to welcome Julia, a sweet and curious 4-year-old girl on the autism spectrum. As part of Sesame Street and Autism: See Amazing in All Children, Julia is excited to welcome all children and their families to paradise with engaging activities like Amazing Art with Julia and enjoyable character experiences with them in mind.

Culinary Concierge

Beaches offers up to 20 distinct 5-Star Global Gourmet™ restaurants per resort and a Culinary Concierge Desk that works directly with executive chefs, sous chefs, and restaurant managers to ensure an exceptional and worry-free dining experience for your entire family.

Our Culinary Concierge will guide you through all our restaurant offerings and help create custom menus that fit your family's special dietary needs - including allergy restrictions and gluten-free, vegetarian and vegan options.

Above & Beyond Specialized Attention

We are proud to be the first resort with the Advanced Certified Autism Center (ACAC), recognized by IBCCES, to best serve this specialized community as well as those with sensory sensitivities.

Along with our certified staff, kids camps, specialized Sesame Street program, and culinary concierge, we offer an optional service of 'One-on-One Beaches Buddy' providing personalized, private childcare with a buddy who is autism certified, and can be pre-booked for a nominal fee.

To speak with one of our autism-friendly Special Services Representatives who can provide personal assistance in ensuring how to best accommodate you and your family during your stay, please use the phone number or email address listed below.
