Sandals and Beaches offers a number of exclusive Bells and Whistles for wedding parties that book five rooms or more. Please visit our inclusion section to view more information.

Can I get married at a different resort than where I am staying?

It is required that you get married at the same resort where you are staying.

Who will assist me once I arrive?

Your event planner at the resort will be excited to meet you and will be instrumental in making your dream day a reality.

What are the wedding venues at the property?

Most of our resorts offer beach, garden, and gazebo locations. The location is chosen during the planning process but can be changed (based on availability) at your on-site resort consultation.

What is the best way to travel with a wedding dress?

Arrangements for transportation of a wedding dress should be discussed directly with your airline carrier.

Are tuxedo rentals available on the island?

Some resorts have contact information for local formal wear providers (varies by island). However, we do not offer tuxedo rentals at the resort. Keep in mind; due to the warm Caribbean climate grooms may want to consider a lightweight suit.

What wedding cake flavors are available?

You have a choice of vanilla, chocolate, Caribbean fruit, red velvet, brownie or carrot. Vanilla, chocolate and carrot flavors and vanilla fillings are also available in gluten free, dairy free, sugar free and vegan options. Special flavors can be ordered for an additional cost. All orders must be submitted within 60 days prior to arrival.

Can I add an additional tier to my cake?

A 4" tier may be added to our 8" and 6" profile. Custom orders beyond that size may be accommodated at an extra cost.

Can I bring my own wedding décor items and favors?

Rest assured, we have everything you need to celebrate your dream wedding your way! We do not recommend bringing décor items and favors, as there are customs regulations that will require you to pay taxes and duties on these items or they could be confiscated if deemed commercial items. Along with customs fees, you could be subject to additional baggage fees based on the weight of the items. If you decide to bring favors and/or décor with you, please note that there will be an applicable set-up fee for these items. Please speak with your wedding planner for full details and to discuss any specific décor or favors you would like to have.
